VERSION 28TH NOVEMBER 2022

INTRODUCING EXPLORA JOURNEYS

Explora Journeys is the new luxury lifestyle travel brand launched by the MSC Group with the ambition to redefine the luxury cruise category.

The concept: Vibrant, cosmopolitan, relaxed European luxury at sea. Instead of cruises, we create journeys – of the mind, and across the oceans of the world. Visits to places on and off the beaten track.

On board: Spaces that offer guests relaxed luxury, creating a home at sea. Restoring life's essential balance with a combination of discovery and appreciation for wellbeing and nature. This is what our new discerning travellers have asked for and this is what they will enjoy on Explora Journeys.

OUR JOURNEY BEGINS SUMMER 2023

THE INSPIRATION
BEHIND OUR NAME

Our name – Explora Journeys – is *inspired* by our **PASSION** for *exploration* and *discovery*, alongside an inherent **RESPECT** for the *seas* and *oceans* of the world. It's why our **MODERN**, *elegant* brand logo subtly reflects the *curves* and **MOVEMENT** of the sea and waves.

THE EXPLORA JOURNEYS MANDALA

An *integral* element of the logo and brand is the Explora Journeys **MANDALA** – **DESIGNED** by Alexa Aponte-Vago, CFO of the MSC Group, daughter of *founder* Gianluigi Aponte and wife of Chairman Pierfrancesco Vago.

With deep roots in spirituality, the mandala pattern represents a journey of personal discovery and fulfilment. Illustrations of the lotus flower symbolise purity of body, speech and mind, while a nod to the fleur-de-lis represents humility and a clear connection to our European heritage.

DISCOVER THE
OCEAN STATE OF MIND

The **OCEAN** and its *influence*
sits at the heart of the Explora
Journeys brand. The ocean connects
you with **YOURSELF, PEOPLE**
and the *places* around you.

It relaxes you and creates an energy in you
that inspires inner and outer discovery, broadens
horizons and triggers new connections.

All of this creates an emotional connection
that is powerful, transformative, yet universal.
We call it the Ocean State of Mind.

The Ocean State of Mind is reached only
with Explora Journeys. It's why all that we
do is designed to offer refined yet effortless luxury,
with the opportunity for exploration and
transformation of the inner and outer self,
resulting in a state that is uniquely rewarding —
physically, intellectually and spiritually.

A BRAND WITH
PERSONALITY

We have developed a **PERSONALITY** and **TONE** – inspired by *the Ocean State of Mind* – which reflects the brand’s **DESIRE** to deliver *vibrant, relaxed, European luxury* at sea. Here are just a few of the terms we use to bring this to **LIFE**.

PLACING SUSTAINABILITY AT THE HEART OF EXPLORA JOURNEYS

Explora Journeys fleet will comprise six ships: EXPLORA III, IV, V and VI will be LNG-powered, with EXPLORA V and VI also being hydrogen-powered. A new generation of Liquefied Natural Gas (LNG) engines will tackle the issue of methane slip and will also be equipped with industry first environmental technologies and solutions, including a containment system for liquid hydrogen that will enable them to use this promising low-carbon fuel. Hydrogen fuel will power a six-megawatt fuel cell to produce emissions-free power for the hotel operation and allow the vessels to run on ‘zero emissions’ in port, with the engines turned off.
