“We find that people remember us, like the Maitre D’ in La Veranda. They see hundreds of people from cruise to cruise, yet last night he came over to us and said, “nice to see you again.” Moments like that make you feel really cared for.”

## THE HEART OF WHAT WE DO

YOUR CONSUMMATE HOST

At the heart of *An Unrivalled Experience™* are the people.

Our extended family of guests, crew and shoreside team members bring life to what we do. As we sail the world together, we share unique experiences and bear witness to the broad history and deep roots that connect us all.

We discover that travel has the power to unify, fuelling those connections and building relationships as we pursue the horizon and explore the world in luxury, freedom and comfort.

Allow us to be your host.

Your captain, confidently and securely piloting your ship from one magnificent destination to the next; your chef preparing your next epicurean indulgence to your butler ensuring your suite is just as you prefer...

You'll only be as far from the best service on the Seven Seas as you desire throughout your journey.

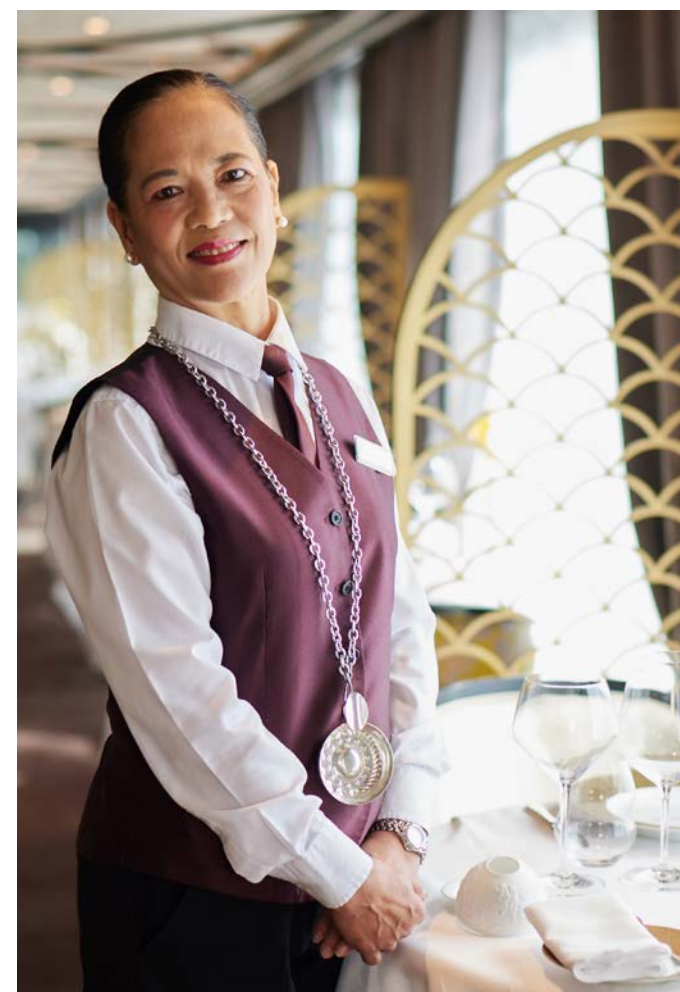

Whatever your wish, we're here *for you*.

“As a solo traveller, I feel so cared for throughout the journey. The entire crew really looks out for me. I’m alone without ever feeling lonely.”

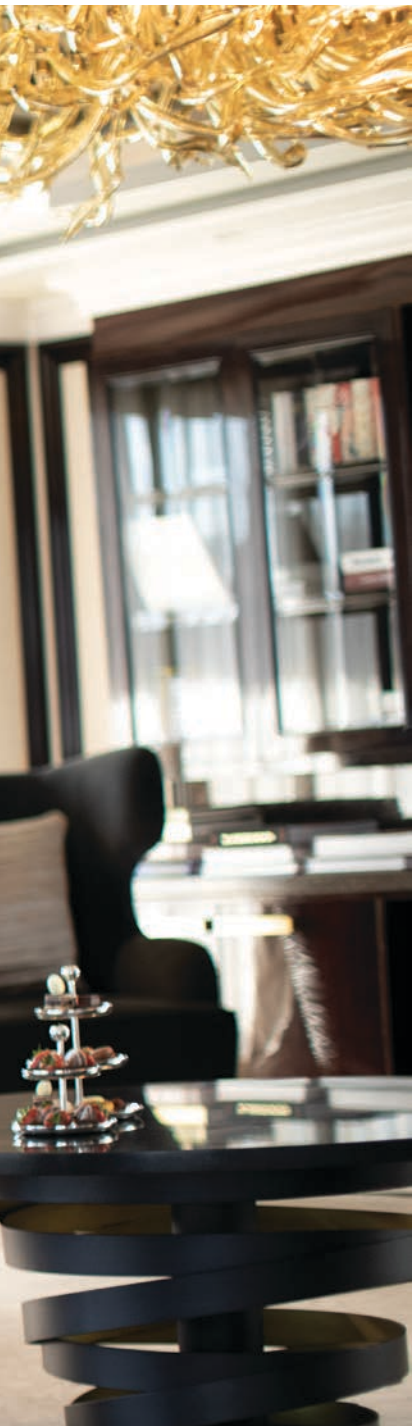

— *Karen R.*  
*Seven Seas Society® Platinum Member*

On *The World's Most Luxurious Fleet™*, guests find themselves aboard small luxury vessels that could carry twice as many travellers as they do.

Instead we provide ample space with large, luxurious suites and a near one-to-one, crew-to-guest ratio for service that is as attentive and personalised as you desire without ever feeling overbearing or unavailable.

## THE ART OF LUXURY

### PERSONALISED ATTENTION, INTUITIVE SERVICE

As you recline, drinking in this magical moment, you notice the quiet dance of the wait staff choreographed by the maître d' for a seamless performance of unobtrusive service that's attuned to everyone's needs.

You're reminded of the smooth transition to and from the ship, the professional room service that morning and the bartender that remembered your favourite drink without having to ask.

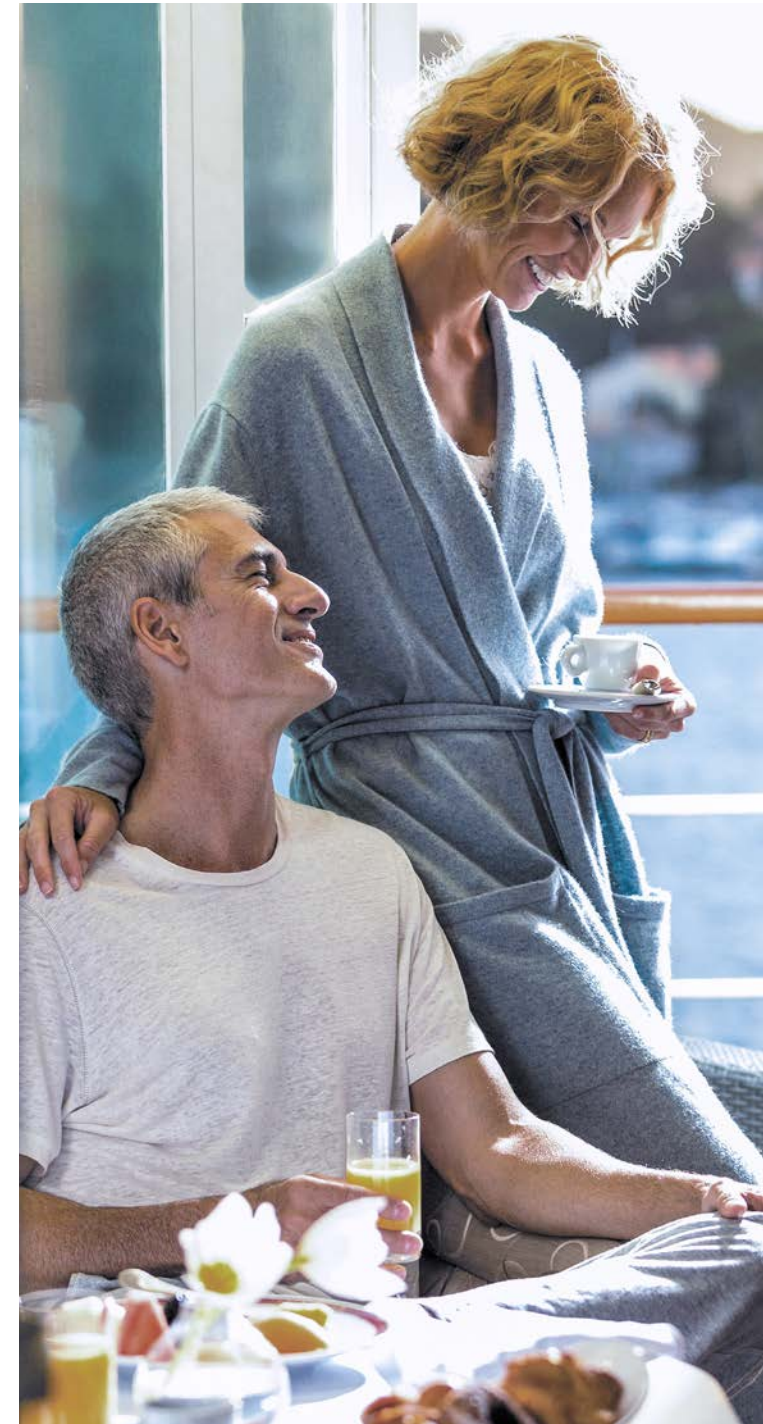

Personalised and intuitive service is the premier measure of a true luxury experience, and no one does it better than Regent.

Luxury is our art — and we ensure your every need and request is attended to — painting the ideal environment for you to enjoy one unforgettable moment after another.

An unforgettable array of shows come to life thanks to world-class creators and masterful performers, from the grandeur of full-scale musical numbers to the intimate charm of cabaret acts, guest performances by comedians, musicians and more.

“On our Alaska cruise we sat in the front row every night. The shows were so fun and the performers were great — we had the best time. It was the perfect end to every evening.”

## EXPANDING YOUR WORLD

With travel comes discovery. Whenever we set sail, the opportunity to learn something new is at hand. To make it that much easier — and even more luxurious — speakers and experts often join our voyages and journeys to share their learnings and insights from their years of study and experience.

Enrich your understanding of viticulture during a Spotlight Voyage on wine. Learn about the marvels of Alaska's glacially carved wilderness as you sail the Inside Passage. Gain new insights into your European ancestry or go *'behind the design'* to learn about the incredible architecture of a favourite city.

Glean insights from our sommeliers to find the perfect pairing for your meal or take a class in the Culinary Arts Kitchen\* with one of our Chef-led experiences.
