THE FREEDOM TO EXPLORE

INSPIRED ITINERARIES

Crafted to reveal the natural wonders of Alaska, our itineraries capture the striking beauty of the landscapes and its wildlife. Bespoke experiences ashore connect you to local communities who share authentic insights and fresh perspectives on the historic and natural wonders you discover.

Luminara deftly navigates Alaska's majestic fjords, sailing the deep waters along massive glaciers where you may spot sea lions, humpback whales and black bears before you even set foot ashore. Ports include not only iconic sights like the capital of Juneau, nestled alongside Mendenhall Glacier, but also tiny communities like Klawock and Petersburg that are only accessible to small vessels.

In select destinations, you'll anchor to enjoy personalized exploration and watersports directly from the yacht's aft Marina, with direct sea access.

Few places feel as expansive as Alaska, where glaciers, waterfalls, and dense evergreen coastline stretch far beyond the horizon.

In Ketchikan, Wrangell, and Haines, Indigenous heritage and Gold Rush history remain woven into small harbor towns surrounded by wilderness, while wildlife appears unexpectedly between the forest and open water.

Across the region, the experience moves naturally between adventure and stillness, shaped by dramatic landscapes and life lived close to the sea.
