A destination like no other. Raw, powerful and exquisite, Antarctica supercharges the senses with grand ice and landscapes, a palpable history of exploration, wildlife untamed, weather that dictates and a silence so profound it sings.

South Georgia

The perfect staging post for nature lovers and Antarctic explorers like Shackleton. Trigger point for the Falklands War, today a wildlife oasis like no other including albatross, penguins, fur and elephant seals, burrowing petrels, snipe and pipits.

Falkland Islands

More British than England, home to endemic geese and ducks, a host of penguin species, sea lions and elephant seals that battle for harems across white sand beaches, all prove the Falklands were worth fighting for.

Chilean Fjords

An enchanted world carved by the Patagonian Ice Cap and home to descendants of seafaring Yaghan people, bohemian street artists, winemakers, fishermen and gauchos. Playful dolphins share waterways with whales, fur and elephant seals along its pristine coastline.

Antarctica guards its secrets in an icy grip for all but five magical months, the Chilean fjords two months more, when the sea ice slowly retreats and penguins, seabirds, whales and seals make their way south for an intense breeding and feeding season.

Purpose built for Polar regions, Scenic Eclipse features a strengthened hull and Polar Class 6 rating which enables safe access to places others can't, from the first month to the last. Walk straight on to sea ice from the ship, watch penguin chicks hatch, herald the arrival of seal pups on the beaches and humpbacks offshore – every Expedition Voyage offers unique experiences. You can add the wonders of Chile, South Georgia and the Falkland Islands to your itinerary and combine these, with the 6-star ultra-luxury of Scenic Eclipse, for your ideal voyage. Here are some seasonal highlights to help you plan which voyage to choose:

SPRING/EARLY SUMMER

October – December

On the Antarctic Peninsula, Spring is a favourite time for many, especially photographers, who delight in pristine snowscapes. Fast ice clings to bays along the west coast, and one ship's barrier is another's gateway to wonder. On board Scenic Eclipse, The World's First Discovery Yachts™ your dreams become reality. Flightsee[^] above magnificent Lemaire Channel, heliski^{^*} hidden powder stashes, and explore the ice edge and the rarely seen sea floor in our custom-built submarine[^].

By October in the Chilean fjords, whales migrate south and Magellanic, Humbolt and gentoo penguins begin nesting, with parents sharing incubation duties. By November in Antarctica, watch penguins begin courting, nest-building thievery and egg incubation. Mid-to-late December in Chile, South Georgia, the Falklands and Antarctica, chicks hatch to be fed by parents sharing fishing and feeding duties. In Antarctica, minkes, humpbacks and Southern Right whales arrive to feed beneath near 24-hours of daylight. The Antarctica & the Weddell Sea voyage visits the famous Snow Hill Island, where thousands of Emperor penguins nurture their young, before returning to the Antarctic Peninsula's west side.

On South Georgia, male fur and elephant seals battle to create and protect their harems. King penguins balance eggs on their feet and albatross reveal their gawky, gorgeous chicks.

SUMMER

January – Early February

Peak season on the Antarctic Peninsula sees rookeries full of chicks and sunlight is at its peak. Parents dodge leopard seals and skuas scan for the unattended. Crabeater and Weddell seals lounge on ice floes, females often nursing newborn pups. Ice retreats to allow easier access to the Antarctic Circle and the Weddell Sea opening up new vistas to enjoy from our two custom built helicopters[^]. As summer winds down, adolescent chicks fledge and are curious, often approaching visitors before running the leopard seal gauntlet on their first swims.

The Beyond the Antarctic Circle voyage will navigate south, further than most expedition ships go, to discover exquisite waterways like Lemaire Channel, the Gullet and Crystal Sound to celebrate crossing the Antarctic Circle (66°33'S).

In South Georgia, penguin chicks almost as big as their parents need constant feeding and are old enough to play with juvenile seals. Long days continue and temperatures rise above 5°C, the warmest of the year. On Scenic's submarine[^], explore waters never dived before and be a part of the exploration under the surface. In the Falkland Islands, Magellanic penguin chicks emerge from burrows, and King penguin chicks hatch.

AUTUMN

Late February – Early March

In the Chilean fjords, penguin chicks reach peak 'cuteness'. As autumn reaches Antarctica, cormorant chicks bravely begin to fly and whales group up for their migration north to breeding grounds. Brilliant sunsets herald nightfall, patches of sea freeze, courting leopard seals captivate with eerie songs and the last gentoo penguins are chased into the Southern Ocean by winter's ever-increasing ice barrier. South Georgia is alive with millions of fur seal pups cavorting in swim schools, king penguins pack beaches while newly discovered Type D orcas and elusive sperm whales pass nearby.

[^]Helicopter, helicopter experiences and submarines at additional cost, subject to regulatory approval, availability, weight restrictions, medical approval and weather and ice conditions. Helicopter is unable to operate in South Georgia. ^{*}Guests will need to have advanced skills to participate.

Top Highlights of the Antarctic Region

Awaken your Senses

Breathe in the purest air on Earth and feel your pulse race as you take your first step onto the seventh continent. Take in the delicate sound of paddling through pack ice, while gazing in childlike wonder at the immense icebergs and spectacular landscapes. Be thrilled by a sudden whale blow as a humpback rises close by, and be mesmerised by the rosy blush of alpenglow on soaring mountain peaks.

Garden of Eden

Watch penguin parents swapping egg-minding duties and feeding chicks, the ominous hunt of leopard seals patrolling the shore, the courtship flight of light mantled albatross, king penguin colonies a quarter-million strong and blue whales outpacing the ship. Every chance to observe Antarctic's wildlife unafraid of humans forges a lifetime of memories.

Fire and Ice

Circumpolar currents isolate Antarctica from temperate climes above, resulting in the world's largest icecap feeding the biggest ice-shelves that generate the greatest icebergs. Yet volcanic activity has sculpted much of Antarctica and sub-Antarctic islands, creating mysterious coastlines, active calderas and unique landscapes – from the South Shetlands to Weddell Sea and south below the Antarctic Circle.

Hidden Gems

Built to Polar Class 6 ice rating, Scenic Eclipse safely navigates waters beyond the capabilities of most ships, to reach Antarctica's unique destinations. Visit Snow Hill emperor penguin colony or Vega Island fossil fields in the Weddell Sea; push into frozen embayments for a stroll across fast ice, or extend your range with two on-board helicopters^ and a custom-built submarine^.

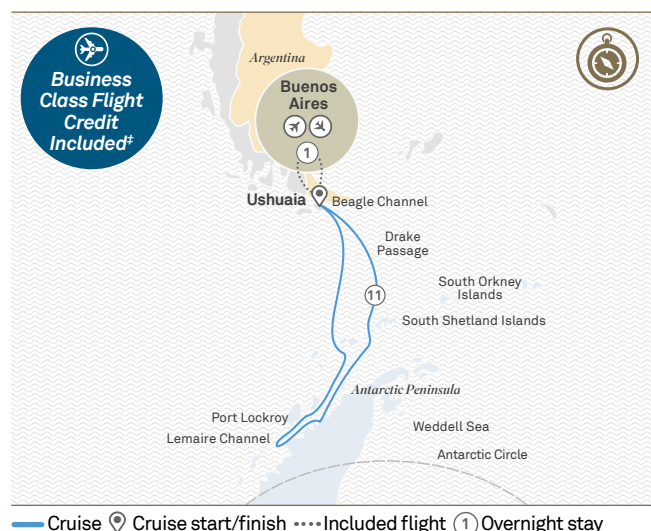

Step Back in Time

Join enthusiastic Discovery historians on memorable excursions, from the first sealer's camps in the South Shetland Islands to abandoned whaling stations on South Georgia. Be amazed by epic tales of fortitude and passion, from the Heroic Age of Antarctic exploration to World War II and beyond.

Venture east beyond the Antarctic Peninsula into the Weddell Sea, a wonderland of fossil fields on ice-free islands, in comprehensively vast tabular icebergs. Search for enormous colonies of Adélie penguins, delight in curious fur seals and be mesmerised by your Discovery Guide's tales of survival by Heroic Age explorers Shackleton and Nordenskjold.

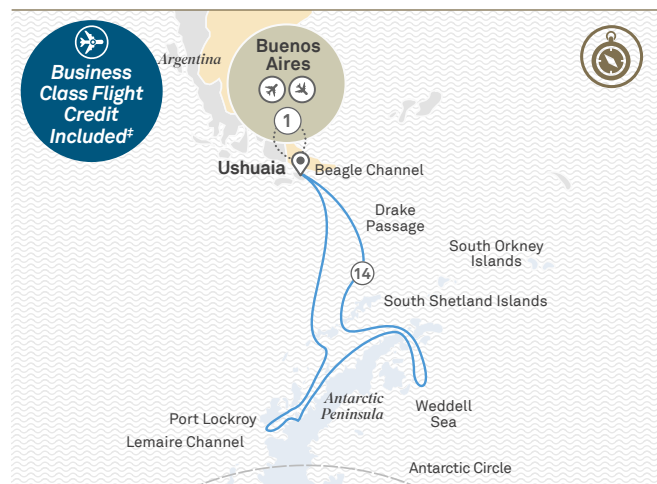

On the Peninsula's west side, thread through pack ice and narrow channels where whales feed and penguins porpoise, to reach the Antarctic Circle at latitude 66° 33' South. South Georgia & Falkland Islands

The Falkland Islands are a naturalist's wonderland. Delight in penguins, from ground burrowing Magellanics to flamboyant macaroni and rockhoppers, and gentle gentoos to regal kings. Spy bull sea lions defending their harems, fur and elephant seals gambolling on beaches, dolphins and orcas patrolling offshore and magnificent black-browed albatross sitting on nests.

To the southeast, South Georgia's soaring ice-clad mountains protect the world's most important penguin and seabird breeding areas. Gaze in wonder at nesting albatross, experience kayak and paddleboard excursions off king penguin rookeries more than a quarter-million strong, and enjoy deep-sea explorations in our custom-built submarine[^], the first permitted to operate in South Georgia.

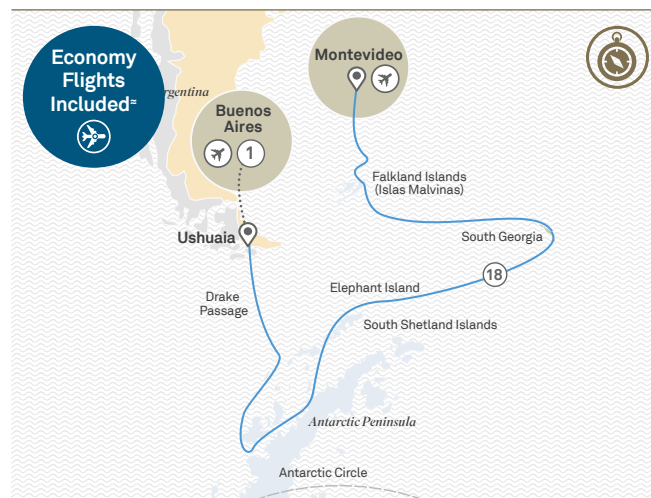

Marvel at this once-centre of whaling, now transformed to a wildlife oasis. Raise a toast to Antarctic explorer Shackleton and his right-hand man, Frank Wild, in Grytviken cemetery, before touring the open-air whaling station and museum. Continue through waters holding great whale species, including blue, fin and sei.

ARCTIC & FJORDS

From the majestic fjords of Norway to Greenland's glaciers and the intriguing geology of Iceland, a voyage to the Arctic is unlike any other. The Arctic region is a magical land where the sun stays up above the horizon well past midnight in the summer. Tales of brave Viking warriors are still shared over an evening drink, and time is spent spotting the majestic wildlife roaming the land.

*Seven Sisters waterfall,
Geirangerfjord, Norway

Norwegian Fjords

The dramatic fjords are remnants of millions of years of glaciation – a true natural masterpiece. Foaming waterfalls, steep precipices, rugged mountains and verdant pastures.

Svalbard

Halfway between Norway and the North Pole lies an enchanting archipelago swept by warm waters along its west coast; frigid pack ice from the north, polar desert winds from the east and lush sea breezes from the south.

Greenland

Wilderness takes on a whole new meaning in the largest island of the world. A land of fjords and glaciers, Greenland is the perfect place for an expedition voyage. The country's unique blend of Danish and Inuit heritage has created a rich culture worth exploring.

Iceland

The land of fire and ice, Iceland boasts sprawling icefields and gushing geysers in equal measure. Explore the striking landscapes filled with glaciers and volcanoes with a Discovery Team member and be immersed in the distinctive Icelandic culture.

Scenic Eclipse Seasonal Guide

Arctic Region

Feel anticipation and excitement as you cruise through one of the least explored regions of the world. Be amazed by the paramount beauty of the landscape and light in the Arctic region, with unique wildlife taking it to a new level of exploration.

Comprising of many regions across Europe, North America and Asia, the Arctic is the northernmost part of our planet.

The European continent enjoys wild Scottish isles, Norwegian fjords and photogenic fishing villages; Svalbard's colourful tundra, reindeer, polar bears and walrus; Greenland's spectacular icebergs and glacier-carved valleys, musk ox and paleo-Eskimo camps. Discover Iceland's awe-inspiring waterfalls, Viking heritage, evocative volcanic landscapes and rejuvenating thermal pools.

The North American continent includes the spectacular kilometres-high vertical walls along the Baffin Island coast that sits completely above the Arctic Circle.

Across the top of the Asian continent is the legendary Northeast Passage, until recently the domain of nuclear-powered icebreakers most of the year, but thanks to climate change, can be ice-free in summer. Discover Wrangel Island with the world's highest density of polar bear dens; traverse the Arctic Ocean, setting foot in places few have visited such as the Medvedie and Novosibirskie Islands, Severnaya and Novaya Zemlyas and the geologically mesmerising Franz Josef Land. These remote regions are inhabited by polar bears, walrus, seabirds including tufted puffins and rhinoceros auklets, and Russian scientists living in weather-worn stations left over from the Cold War.

The Arctic region is best known for polar bears. Polar bears are marine mammals that spend most of their lives on Arctic Ocean sea ice hunting seals, walrus and even whales in the frigid waters, but come ashore to give birth to their cubs.

As well as Arctic destinations, here are some seasonal highlights to help you decide which voyage to choose:

Early Summer

June – Early July

Humpback whales follow the Gulf Stream north from Scotland to Iceland and along the Norwegian coast, while fast ice breaks out of the deeper fjords. Snow free areas across the Arctic attract migratory birds, and polar bears and cubs emerge from dens. On seabird cliffs in Scotland, Iceland and Norway, guests can search for puffins, gannets and observe guillemots feed their chicks.

Midsummer

Mid July – Early August

Millions of migratory birds fill flyways in Europe and North America. Seabird cliffs are noisy with growing chicks attracting Arctic fox (Iceland's only native land animal). Osprey raise chicks and grey seals pup along the Scottish coast. Algal blooms attract ringed, bearded and harp seals in the high Arctic, and on Wrangel Island and across Canada, polar bears teach cubs to hunt. Spectacular Arctic wildflowers bloom and walrus crowd ice floes as polar bears stalk seals in pack ice around Svalbard.

Late Summer

Mid August – Early September

Open waters unlock the Northeast Passage, with access to polar bears hunting seals and walrus in pack ice. Humpback, bowhead, grey and beluga whales feed before migrating south. Grey seals give birth to pups in Scotland and across the high Arctic, shorebirds and seabirds complete their moult and prepare to head south. Arctic foxes scour the base of seabird cliffs in search for late-season chicks. Warm daytime temperatures encourage spectacular calving of glacier fronts, tundra walks turn up ripe berries and sunsets begin to light up the evening sky.

Top Highlights of The Arctic Region

Wildlife Kingdom

Across the Arctic, be spellbound by polar bears, from the sheer numbers on Wrangel Island to frequent encounters on Svalbard and the Canadian Arctic. Revel in steaming walrus haulouts, soaring sea cliffs raucous with charming puffins, guillemots, kittiwakes, little auks and more. Search for mystical narwhals and shy beluga whales, musk oxen, Arctic foxes and hares.

In the Footsteps

Be intrigued by Discovery historians as they reveal Greenland's ancient Inuit hunting camps, Canada's Hudson Bay trading posts and hear epic tales of Arctic explorers striving for the North Pole by ship, dogsled and balloon. Follow the tribulations of Franklin's expedition, cheer Amundsen's successful Northwest Passage.

Spectacular Ice

Gaze from your private verandah as Scenic Eclipse enters pack ice to reveal a world alive with polar bears, seals, whales and more. Thrill to the gunshot retort of calving icebergs along Spitsbergen's vast ice-fronts, and the 'iceberg factory' of Disko Bay. Zodiacs move amidst stupendous aquamarine towers and fantastic arches of Scoresbysund's sculpture garden of ice.

People of the North

Be welcomed by local communities, from Inuit hunters to fishermen across the High Arctic. Meet scientists and rangers working from remote polar stations. Be entertained by traditional song and dance in the Canadian Arctic Archipelago and be enthralled as your Discovery guides enlighten you on the skills necessary to live at the end of the Earth.

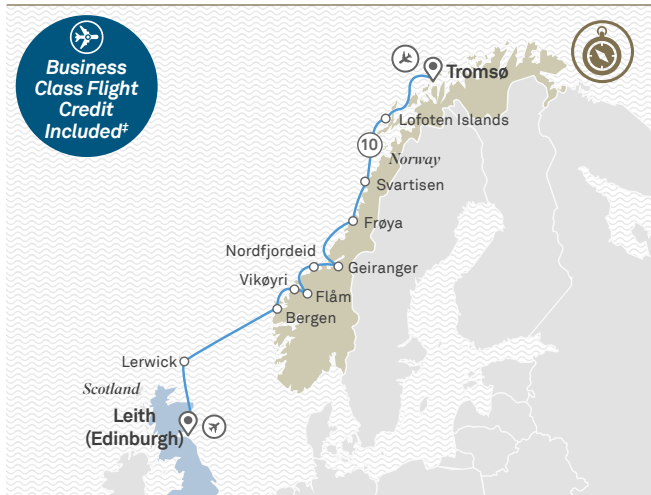

Hidden Gems

Be entranced by the beauty and incredible diversity of tundra wildflowers on Wrangel Island, home to the greatest density of polar bear dens on Earth. Be awestruck by walls of polished rock soaring kilometres above you in the fjords of East Greenland. Feed your inner explorer along the remote coastline of Baffin Island or amidst the seldom-visited, Novaya and Severnaya Zemlya.

°INDONESIAN ARCHIPELAGO, WEST PAPUA & THE SOLOMON ISLANDS

Laying between the Pacific and Indian oceans, Indonesia is the largest archipelago in the world comprising of more than 17,000 islands. With many of its people coming from Melanesian, Islam, Portuguese and Dutch descent, Indonesia is a melting pot of culture. Located in the 'Coral Triangle', the islands of Raja Ampat and Papua New Guinea are extraordinary: mountainous atolls blanketed with rainforests and thick jungle, some with active volcanoes, fringed by beaches with crystal clear water and coral cays boasting dynamic ecosystems.

Raja Ampat

This postcard-perfect seascape comprises of more than 1,500 karst islands rising out of pristine emerald and cerulean water. Beneath the surface 75% of the world's coral species and more than 1,300 fish species can be found, making Raja Ampat a diver's paradise.

West Papua

Crystal-clear water, lush tropical vegetation, volcanic activity and rural landscapes, West Papua is a fascinating region steeped in history and culture. Largely unexplored, many of its smaller and remote islands are occupied by tribes who follow a traditional way of life.

Maluka Island (Spice Islands)

Surrounded by coral reefs, the Maluka Islands are excellent for diving and striking for their volcanic landscapes. Discovered in the 16th century, these islands are more famous for the nutmeg, mace, pepper and cloves that are abundantly found here – which is why they were formerly named the Spice Islands.

Solomon Islands & Vanuatu

The tropical paradises of Solomon Islands and Vanuatu – located within the South Pacific to the east of Papua New Guinea – are renowned for their unspoiled beauty and friendly locals. In fact, Vanuatu is often referred to as 'The Happiest Place on Earth'.

Top Highlights of the Indonesian Archipelago, West Papua & the Solomon Islands

Enjoy First-Class Diving

With thousands of tropical islands stretching more than 5,000 kilometres, the diving opportunities in the Indonesian archipelago are world-class, in particular at Raja Ampat. Dubbed the Coral Triangle, the crystal-clear water is abundant with colourful reefs and thriving with marine life including rays, reef sharks, and thousands of fish species.

Experience Diverse Cultures

Due to its central location along ancient trading routes and with so many different islands, the cultural diversity of this archipelago is incredible. There are at least 300 Indonesian ethnic groups, each with their own customs, religion, language, cuisine and more.

See a Traditional Way of Life

Many of the remote islands in the Indonesian archipelago are largely untouched, not only in natural beauty but also their traditional way of life. There are still hundreds of tribes living in West Papua, the Solomon Islands and Vanuatu, while you may spot locals fishing in traditional boats or houses built over the water on stilts throughout Indonesia.

Visit the Centre of an Ancient Spice Route

The Maluku Islands (formerly Spice Islands) were once home to the world's only source of nutmeg, as well as other coveted spices, and became an important centre for the spice trade in the 16th century drawing in traders from all over the globe.

Soak up Picture-Perfect Scenery

If you were to imagine the most idyllic tropical paradise, you would picture the Indonesian archipelago. From the otherworldly limestone karsts of Raja Ampat to the pristine waters of Vanuatu to the traditional villages of West Papua, where island life is simple, to the volcanic landscape of the Spice Islands.

POLYNESIA & THE PACIFIC ISLANDS

Dubbed heaven on earth by many, Polynesia and the Pacific spans a quarter of the globe and encompasses around 40,000 islands. Home to some of the most isolated communities in the world, there is a distinct traditional way of life across the region. While a long history of voyaging and European colonisation has brought with it a mix of cultural influences: Melanesian, Polynesian, Micronesian Spanish, Indian and French. No two islands are alike culturally, with a diverse natural beauty. The volcanic terrain of Tonga's Hunga Island, the Isle of Pines' endemic pine trees that line the white beaches and Fiji's crescent-shaped Fulanga Island that hides within it a crystalline lagoon are just some of the incredible landscapes you can witness on board your luxury Scenic Eclipse voyage.

Hanga Roa (Easter Island)
S 27° 08' W 109° 25'

Remote Chilean Islands

The far reaches of the Pacific reveals the tiny island of Robinson Crusoe, a small volcanic isle boasting endemic flora and fauna akin to that of the Galapagos, as well as Easter Island, known for its mysterious moai statues made of volcanic stone.

French Polynesian Archipelago

The islands of French Polynesia offer a delightful blend of Polynesian and French culture. Here, expect strong cultural heritage, pink-sand beaches, crystal lagoons, spectacular moss-green peaks and two extinct volcanoes.

The Pacific Islands

Postcard-perfect in every way, the Pacific Islands are considered the jewel of the region for its pristine waters, white beaches, turquoise lagoons, pockets of rainforest and caves, and signature pine trees.

New Zealand

In contrast to the region's lush tropical idyll, Great Barrier Island is a rugged, isolated wilderness, where nature and stunning star-filled nights reign supreme. Whilst the Bay of Islands combines spectacular scenery with a rich Maori and European heritage.

Top Highlights of Polynesia & the Pacific Islands

Discover Endemic Wildlife & Birdlife

The Pacific Islands archipelago is home to the largest and most diverse population of seabirds in the world, such as the vulnerable fairy tern; masked, red-footed and brown boobies and more. Whilst the islands of Robinson Crusoe and Alexander Selkirk lay in a biosphere reserve, classified for its biological richness and various endemic species, all across the vast Pacific there is an abundance of marine life including tropical fish, whales, dugong, sharks and sea turtles.

Robinson Crusoe Island

Experience Diverse Cultures

These regions are made up of thousands of islands, each with distinct cultural heritage, some influenced by colonisation, others whose traditional customs – rites, rituals, costumes, song and dance – remain resilient to this day. Tahitian culture is centred around legends of gods and warriors. New Caledonia is a land of mixed cultures; while in Vanuatu, there are many traditional customs still alive – from astonishing land diving and drinking kava and fire dancing.

Historical Significance

There are many intriguing historical sites across the Pacific Islands and Polynesia. Isolated Easter Island has examples of the ancient Rapa Nui culture, famous for the 900 giant stone carvings 'maois' that mysteriously scatter the island, as well as rock paintings, petroglyphs and stone Orongo houses. Tonga is home to megalithic stone structures and ancient tombs, while the Solomon Islands has a number of historical war sites including a number of shipwrecks and sunken aircraft.

Soak up the Sun & Sea

The Pacific Islands and Polynesia are blessed with copious pristine beaches, exotic lagoons and ample snorkelling opportunities. You won't be disappointed with incredible reefs home to hundreds of species of coral and abundant fish.

Pristine Environments

Beyond the beaches, Polynesia and the Pacific has an incredibly varied landscape. Tahiti is blessed with mountainous peaks, lush rainforests and rivers; the Solomon Islands with forests and vast plains; Vanuatu is a volcanic archipelago with a mix of rainforest and savannah; and Tonga has a coastline of limestone cliffs, with thick forests and an underwater volcano.

Bookings

1. If you or any member of your party has any medical condition, pregnancy, or disability which may affect your journey or has any special requirements as a result of any medical condition, pregnancy, or disability (including any which affect the booking process), it is very important that you tell us of the condition and of any medical or mobility equipment you will need in writing before you confirm your booking so that we can assist you in considering the suitability of the arrangements and/or making the booking. Given the potentially extreme conditions and remote locations we may visit you must also complete a mandatory full medical questionnaire (to be provided 90 days prior to departure) to enable us to assess the risks involved. This questionnaire must be signed by your medical practitioner between 90 and 60 days prior to the journey departure date and must be returned to us not later than 60 days prior to the journey departure date. Any medical certificate issued earlier than 90 days before the journey departure date will not be accepted and a revised one will be required. Any guest who has not completed and returned their medical certificate will not be cleared for embarkation and their booking will be deemed to have been cancelled by them in which case the cancellation charges will apply detailed below. Some activities either on board the ship or onshore at all ports may be unsuitable for those with reduced mobility. You must also notify us of any changes or deterioration in the disability or medical condition or development of any disability, pregnancy, or medical condition after booking. We must reserve the right to decline a reservation of any person or, if full details are not given at the time of booking or the condition/disability develops after booking, cancel when we become aware of these details, if we reasonably feel unable to properly accommodate their particular needs. In the event that you require assistance with embarking or disembarking as a result of your reduced mobility or disability, please advise us at the time of booking and in any event no later than 48 hours before the assistance is required. Please also note that assistance is not always available when embarking or disembarking at all ports of call. It is important to note in relation to the Scenic Eclipse that:

(i) for safety reasons, passengers in wheelchairs cannot be carried on boarding ramps (which may be steep due to water levels) whilst the vessel is tied up or at anchor, or on to motor coaches, tenders, Discovery experiences including

but not limited to Zodiacs, kayaks and submarine; and (ii) collapsible walkers may be taken onto tender vessels for transfer to shore for the included touring. Walkers are however unable to be taken on the zodiacs at any time due to space restrictions. The walkers will be stored in the guest's suite – there is no additional storage space on board.

(iii) guests must be able to walk up/down stairs in the event of an emergency to reach emergency evacuation points. (iv) motorised scooters cannot be used on board (v) wheelchairs and walkers can be carried in the luggage compartment of motorcoaches subject to space limitations.

(vi) embarking and disembarking the tenders, Zodiacs, kayaks and submarine are via a mud room/change room with steps leading to a marina platform and requires the ability to step into and out of these vessels unaided.

(vii) elevators may not access all decks and cabins and bathrooms may have significant thresholds and cabin doors which limit access.

2. The operation of all journeys is conditional on us securing the minimum number of bookings. Where sufficient numbers cannot be achieved, we may cancel or change a scheduled journey. Please also see clauses 13 to 16. We will notify you no less than 30 days prior to the departure date of the journey if we have to cancel or significantly change a journey due to lack of numbers.

3. If you have any special requests (including dietary requirements) you must notify us in writing at the time of booking. Please note special requests cannot be guaranteed. Failure to meet any special request will not be a breach of contract by us. Confirmation that a special request has been noted or passed on to the supplier of any service(s) or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability. For your own protection, you should obtain confirmation in writing that a special request will be complied (where it is possible to give this) where it is important to you. We cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfilment of a particular request. All such bookings will be treated as "standard" bookings subject to the above provisions on special requests.

Payment

4. To make a booking, you are required to pay a 10% deposit of the cruise element (or cruise and land element when booking a cruise and land journey combination) with a second 15% deposit of the cruise element (or cruise and land element when booking a cruise and land journey combination) due 12 months prior to departure.

Early bird fares have limited availability

5. The balance of the journey price must be received by us no less than 120 days prior to the start of your journey. If we do not receive all payments due (including any surcharge where applicable) in full and on time, we are entitled to assume that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date. If we do not cancel straight away because you have promised to make payment, you must pay the cancellation charges shown in these terms and conditions depending on the date we reasonably treat your booking as cancelled.

6. Except for flight inclusive bookings, all monies you pay to one of our authorised travel agents for your holiday with us will be held by the agent on your behalf until a contract between us comes into existence. After that point, your agent will hold the monies on our behalf until they are paid to us. For flight inclusive bookings, all monies paid to any authorised travel agent of ours for your holiday with us will be held on behalf of and for the benefit of the Trustees of the Air Travel Trust subject to the travel agent's obligation to pay such monies to us in accordance with our trading terms unless we fail. In the unlikely event of our financial failure, all monies then held by the travel agent or subsequently paid by you to the travel agent will be held by the agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation on the agent to pay such monies to us.

Credit Card Payments

7. There is no charge for credit or debit card payment.

Your contract

8. Subject to availability we will confirm your booking by issuing our confirmation invoice. This invoice will be sent to the first named person on the booking ("lead name") or your travel agent. Please check this invoice carefully as soon as you receive it. Contact us immediately if any information on the confirmation or any other document appears to be incorrect or incomplete as it may not be possible to make changes later. We cannot accept any liability if not notified of any inaccuracy in any document within 7 days of our sending it out. We will do our best to rectify any mistake notified to us outside these time limits but you must meet any costs involved in doing so.

9. A binding contract between you and us comes into existence when we issue our confirmation invoice. We both agree that English law (and no other) will apply to your contract and to any dispute, claim or other matter of any description which arises between us ("claim") (except as set out below). We both also agree that any claim (and whether or not involving any personal injury) must be dealt with under the ABTA Alternative Dispute Resolution Scheme ("ADR") (if the scheme is available for the claim in question and you wish to use it – see the clause 37) or by the Courts of England and Wales only unless, in the case of court proceedings, you live in Scotland or Northern Ireland. In this case, proceedings must either be brought in the

courts of your home country or those of England and Wales. If proceedings are brought in Scotland or Northern Ireland, you may choose to have your contract and any claim or other matter of any description which arises between us governed by the law of Scotland/Northern Ireland as applicable (but if you do not so choose, English law will apply).

What are your obligations?

10. (a) You must follow the Captain, Discovery Team Leader, and Tour Director's instructions at all times. You acknowledge that failure to do so may result in your withdrawal from the journey. (b) We expect all clients to have consideration for other people. If in our reasonable opinion, or in the reasonable opinion of any other person in authority, you behave in such a way so as to cause or be likely to cause danger, upset or distress to yourself or any third party or damage to property we are entitled, without prior notice, to terminate the journey of the person(s) concerned. We will not be liable to you for any loss, cost or damage resulting from your withdrawal. If you are withdrawn from the journey, you must make your own return travel arrangements at your own expense.

Journey price

11. The journey price is based on the cruise cabin category as indicated on each journey page. Upgrades to other cabin types may be available at additional cost. Please note that individual cabin number requests are a request only and cannot be guaranteed.

Please note, changes and errors occasionally occur. You must check the price of your chosen holiday at the time of booking. We reserve the right to make changes to and correct errors in advertised prices and information at any time before your holiday is confirmed. We will advise you of any error of which we are aware and of the then applicable price at the time of booking.

12. Once your journey price has been confirmed at the time of booking, then subject to the correction of errors, it will only be increased or decreased in the following circumstances. A surcharge or refund (as applicable) will be payable, subject to the conditions set out below, in the event of any change in our transportation costs or in dues, taxes, fuel or fees payable for services such as landing taxes or embarkation or disembarkation fees at ports or airports increase or decrease or in the exchange rates which have been used to calculate your journey price. Even in the circumstances set out in above, only if the amount of the increase in our costs exceeds 2% of your journey price (excluding insurance premiums and any amendment fee) will we levy a surcharge.

If any surcharge is greater than 8% of your journey price (excluding insurance premiums and any amendment fee), you will be entitled to cancel your booking and receive a full refund of all monies you have paid to us (except for any amendment fee) or alternatively purchase another journey from us – see clause 14. You have 14 days from the issue date printed on the surcharge invoice to tell us if you wish to cancel or purchase another journey where applicable. Otherwise, we are entitled to assume that you do not wish to do so and will pay the surcharge. Any surcharge must be paid with the balance of the journey price or within 14 days of the issue date printed on the surcharge invoice, whichever is the later. Please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the journey price due to contractual and other protection in place. A refund will only be payable if the decrease in our costs exceeds 2% as set out above. Where a refund is due, we will pay you the full amount of the decrease in our costs. No surcharge will be levied within 20 days of departure. No refund will be payable if any decrease in our costs occurs during this period either.

Variation or cancellation by us

13. We start planning the journeys we offer many months in advance.

Occasionally, we have to make changes to and correct errors in the details of advertised journeys both before and after bookings have been confirmed and cancel confirmed bookings. Whilst we always endeavour to avoid changes and cancellations, we must reserve the right to do so. Due to the nature of our itineraries, which are dependent on the safe navigation of national and international waterways over which we have no control, it is therefore not always possible for our vessels to sail or call at all ports as planned or foresee when this may occur. Unfortunately, this is an inherent risk in sailing which you must accept. The captains of all the vessels we use retain the ultimate right to deviate from or change any particular itinerary where they believe it necessary to so, for example in the interests of the health and safety of passengers.

14. Most changes made to a confirmed journey are minor. Examples of what we both agree to be minor changes are changes of vessels to one of the same class for the whole or part of your journey, changes to vehicles used for transfers and excursions, changes to planned excursions, changes to hotel accommodation to that of an equivalent standard including the substitution of accommodation to on-board our vessels or vice versa, changes to berthing or dock location, changes to sailing times, and the substitution and/or removal of ports of call, or the replacement of sailing with the use of motor coaches. Occasionally, we have to make a significant change to or cancel a confirmed journey and we must reserve the right to do so. A significant change is a change made before departure which, taking account of the information you give us at the time of booking or which we can reasonably be expected to know as a tour operator, we can reasonably expect to have a significant effect on your journey. If we have to make a significant change or cancel, we will tell you as soon as possible. If there is time

to do so before departure, you will be offered the choice of the following options:- (a) (for significant changes) accepting the changed arrangements or (b) purchasing alternative arrangements from us, of a similar standard to those booked if available. We will offer you at least one alternative holiday of equivalent or higher standard for which you will not be asked to pay any more than the price of the original holiday. If this holiday is in fact cheaper than the original one, we will refund the price difference. If you do not wish to accept the holiday we specifically offer you, you may choose any of our other available holidays. You must pay the applicable price of any such holiday. This will mean your paying more if it is more expensive or receiving a refund if it is cheaper or (c) cancelling or accepting the cancellation and receiving a full refund of all monies you have paid to us. Please note, the above options are not available where any change made is a minor one. A change of flight time of less than 12 hours, airline (except as specified in clauses 42 to 44 "Flights"), type of aircraft (if advised) or destination airport will all be treated as minor changes.

15. If we have to make a significant change to or cancel a confirmed journey, we will in addition to the options set out in clause 14 pay you compensation depending on the circumstances and when the significant change or cancellation is notified to you subject to the following exceptions. Compensation will not be payable and no liability beyond offering the options set out in clause 14 can be accepted where (a) we are forced to make a change or cancel as a result of unusual and unforeseeable circumstances beyond our control, the consequences of which we could not have avoided even with all due care or (b) we have to cancel because the minimum number of bookings necessary for us to operate your journey has not been reached – see clause 2. No compensation will be payable and the options set out in clause 14 will not be available if we have to cancel as a result of your failure to comply with any requirement of these terms and conditions entitling us to cancel (such as paying on time) or where a change is a minor one.

16. Very rarely, we may be forced by Force Majeure (see clause 28) to change or terminate your journey after departure but before the scheduled end of your time away. This is extremely unlikely but if this situation does occur, we will be unable to make any refunds (unless we obtain any refunds from our suppliers which we do not use to pay for alternative services), pay you any compensation or meet any costs or expenses you incur as a result.

Amendment or cancellation by you

17. If any member of your party is prevented from travelling, the person(s) concerned may transfer their place to someone else (introduced by you) providing we are notified not less than 90 days before departure. Where a transfer to a person of your choice can be made, all costs and charges incurred by us and/or incurred or imposed by any of our suppliers as a result together with an amendment fee of £50 per person must be paid before the transfer can be effected. Any overdue balance payment must also be received. For flight inclusive bookings, you must pay the charges levied by the airline concerned. As most airlines do not permit name changes after tickets have been issued for any reason, these charges are likely to be the full cost of the flight.

18. If you wish to make any amendments to your confirmed booking you must notify us in writing as soon as possible. It may not always be possible to make such amendments. Where we can, an amendment fee of £50 per person per booking will be payable together with any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers. A change of journey dates will normally be treated as a cancellation of the original booking and rebooking in which case cancellation charges will apply. Changes may result in the recalculation of the journey price where, for example, the basis on which the price of the original journey was calculated has changed.

19. You may cancel your booking by notice to us in writing and payment of the applicable cancellation fee as shown below. Cancellation notifications are not effective until received by us in writing (if received by us on a weekend day or public holiday the notification will be treated as having been received by us on the next working day).

The following cancellation fees apply to each person(s) cancelling and where shown as a percentage are based on the total cost of the arrangements which are being cancelled excluding any insurance premiums, amendment fee or previously incurred cancellation charges which are all non-refundable in the event of your cancellation:

Cancellation Fees

Period before your journey commences within which written notification of cancellation is received by us

Cancellation period	Fee per person
120 days and over	Loss of Deposits
119 to 91 days	50% of journey price
90 days or less	100% of journey price

Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your insurance policy. Claims must be made directly to the insurance company concerned.

Where any cancellation reduces the number of full paying party members below the number on which the price, number of free places and/or any concessions agreed for your booking were based, we will recalculate these items and re-invoice you accordingly.

Our liability

20. We will ensure that the journey arrangements we have agreed to make, perform or provide as applicable as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these terms and conditions, we will accept responsibility if, for example, you suffer death or personal injury or your contracted journey arrangements are not provided as

promised or prove deficient as a result of the failure of us, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted journey arrangements. Please note, it is your responsibility to show that reasonable skill and care has not been used if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers).

21. We will not be responsible for any injury, illness, death, loss (including loss of enjoyment or possessions), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:-

- the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or
- the act(s) and/or omission(s) of a third party not connected with the provision of your journey and which were unforeseeable/unavoidable or
- Force Majeure as defined at clause 28 below.

22. We cannot accept responsibility for any services which do not form part of our contract with you. This includes, for example, any additional services or facilities which any hotel or other supplier agrees to provide for you where the services or facilities are not advertised in our journey brochure as part of your journey and we have not agreed to arrange them as part of our contract and any excursion or other services you purchase during your journey. Where any such excursion or services are purchased through or with our assistance, please note that we act only as booking agent. Your contract will be with the operator or provider of the excursion or services in question. We have no liability in relation to the same. In addition, regardless of any wording used by us on our website, in any of our brochures or elsewhere, we only promise to use reasonable skill and care as set out above and we do not have any greater or different liability to you.

23. The promises we make to you about the services we have agreed to provide or arrange as part of our contract and the laws and regulations of the country in which your claim or complaint occurred will be used as the basis for deciding whether the journey arrangements in question had been properly provided. If the particular arrangements which gave rise to the claim or complaint complied with the then applicable local laws and regulations, the services will be treated as having been properly performed or provided. This will be the case even if the arrangements did not comply with the laws and regulations of the UK which would have applied had those arrangements been provided in the UK. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable journey participant to refuse to take the journey in question. Please note, however, our obligation is to exercise reasonable skill and care as referred to in clause 20. We do not make any representation or commitment that all services will comply with applicable local laws and regulations and failure to comply does not automatically mean we have not exercised reasonable skill and care.

24. As set out in these booking conditions, we limit the maximum amount we may have to pay you for any claims you may make against us. Where we are found liable for loss of and/or damage to any luggage or personal possessions (including money), the maximum amount we will have to pay you is £1,000 per person affected unless a different limitation applies to your claim under this clause or clause 25 below. For all other claims which do not involve death or personal injury, if we are found liable to you on any basis the maximum amount we will have to pay you is twice the price (excluding insurance premiums and amendment fees) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 25 below. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from your journey.

25. Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, sea or rail carrier to which any international convention or EU regulation applies, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if found liable to you on any basis is the most the carrier concerned would have to pay under the international convention or regulation which applies to the travel arrangements in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens Convention for international travel by sea (as amended by the 2002 Protocol where applicable) and COTIF, the Convention on International Travel by Rail). Please note: where a carrier or hotelier would not be obliged to make any payment to you under and in accordance with the applicable international convention or regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the carrier for the claim in question. Copies of the applicable international conventions and regulations are available from us on request.

26. Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (a) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (b) which did not result from any breach of contract or other fault by ourselves or our

employees or, where we are responsible for them, our suppliers. Additionally, we cannot accept liability for any business losses including self-employed loss of earnings.

Suppliers

27. Many of the services which make up your journey are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable international conventions (see clause 25). Copies of the relevant parts of these terms and conditions and of the international conventions are available on request from ourselves or the supplier concerned.

Force Majeure

28. Except where otherwise expressly stated in these terms and conditions we regret we cannot accept liability or pay any compensation where the performance or prompt performance of our obligations under our contract with you is prevented or affected by or you otherwise suffer any damage, loss or expense of any nature as a result of Force Majeure. Force Majeure means any event which we or the supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events are likely to include (whether actual or threatened) an act of God, war, terrorism, fire, flood or any other extreme weather conditions exceptional water levels, lock damage, loss of power, epidemics or pandemics, industrial disputes, slow-downs or other strike activities, political unrest, riots or civil disturbances, prohibitions or acts of Federal, State, Territory, local government, quasi-government bodies or other authorities (including, in each case, their duly constituted or appointed agents), inability to obtain the necessary licence of consent and delays caused by sub-contractors, suppliers or other third parties (including telecommunications carriers), material shortages, any border closures by any country or the UK Government, or other disruptions to the Journey beyond our control.

29. You acknowledge and accept that there are inherent risks associated with our journeys for example events of Force Majeure, hazards of travelling in undeveloped areas, travel by boat, train, automobile, submersible, helicopter, aircraft or other means of transportation particularly in undeveloped countries or more remote locations such as the Antarctica, South Georgia and the Arctic & Fjords.

30. You must take out adequate and appropriate travel insurance to cover as a minimum cancellation by you, loss of luggage, early return following death of a relative, and emergency repatriation (from remote ocean locations) in the event of accident or illness.

31. Please read your policy details carefully and take them with you on your journey. It is your responsibility to ensure that the insurance cover you purchase is suitable and adequate for your particular needs.

Itinerary changes and travel advice

32. During local or national holidays, certain facilities such as museums and restaurants, sightseeing tours and shopping may be limited or not available. Alternatives will be offered if possible.

33. The Foreign and Commonwealth Office may have issued information about your journey destination. You are advised to check this information on the internet at www.gov.uk/foreign-travel-advice.

Smoking

34. Smoking is limited to designated smoking areas on Scenic Eclipse (and any other vessels), and is not permitted in suites or on verandahs and terraces.

(a) You acknowledge that we may restrict smoking to specific times and locations during Your Cruise for the comfort of all passengers. (b) Smoking is not permitted on coaches/transfer vehicles, discovery vessels, or such other places as nominated by us from time to time.

Baggage allowance

35. You are entitled to carry one suitcase per person with the total sum of its length, width and height not exceeding 76 x 53 x 28cm/30 x 21 x 11in (62 inches) and weight 23kg (50 lbs). Personal and valuable items such as make-up, cameras, medication, passport, money/credit cards etc. should be carried in a travel bag or on your person. You must ensure that luggage meets the weight requirements as overweight or oversize items will not be carried. Some carriers may impose a small surcharge per day for a second suitcase per person. Excess baggage is always at your cost.

Young travellers

36. Travellers who are less than 18 years old on the departure date must be accompanied by and share a cabin/room with an adult aged 18 or over. Children under the age of 12 years are not encouraged and are accepted or rejected at our sole discretion.

Complaints, Alternative Dispute Resolution, and Damage

37. If a problem occurs during your journey, you must advise our representative immediately so that steps can be taken to resolve the matter and you can continue to enjoy the remainder of your journey. You must also advise the supplier concerned. Any verbal notification must be put in writing and given to our representative/agent and the supplier as soon as possible. If we do not have or you cannot contact our local representative or agent and any complaint or problem is not resolved to your satisfaction by the supplier, you must contact us in the UK using the contact details we have provided you with during your holiday, giving us full details and a contact number. Until we know about a complaint or problem, we cannot begin to resolve it. Most problems can be dealt with quickly. If you remain dissatisfied, any complaint must be made either by telephone or in writing to us giving full details within 30 days of the end of the journey. If you fail to follow this procedure, your right to claim compensation you may otherwise have been entitled to may be affected or even lost as a result.

Only the lead name should write to us. Disputes arising out of, or in connection with your booking which cannot be

Terms & Conditions

amicably settled may be referred to ABTA's ADR (Alternative Dispute Resolution) Scheme. The scheme provides for a simple and inexpensive method of resolving disputes and, where appropriate, arbitration on documents alone with restricted liability on the customer in respect of costs. Full details will be provided on request or can be obtained from the ABTA website (www.abta.com). The arbitration scheme does not apply to claims for an amount greater than £5,000 per person. There is also a limit of £25,000 per booking. Neither does it apply to claims which are solely in respect of physical injury or illness or their consequences. The scheme can however deal with compensation claims which include an element of minor injury or illness subject to a limit of £1,500 on the amount the arbitrator can award per person in respect of this element. Your application for arbitration and other required documents must be received by ABTA within 18 months of your return from the holiday. Outside this time limit arbitration under the scheme may still be available if we agree, although the ABTA Code does not require such agreement. For injury and illness claims, you can request the ABTA mediation procedure and we have the option to agree to this. Where we act as agent, please bear in mind that your contract is with the supplier of the arrangements concerned. Unless the supplier is also a member of ABTA, only disputes relating to our actions as agent can be dealt with by the arbitration scheme or mediation procedure and not complaints about the arrangements themselves or the acts/omissions of the supplier.

38. When you book with us, you accept responsibility for any damage or loss caused by you or any member of your party. Full payment for any such damage or loss (reasonably estimated if not precisely known) must be made direct to the accommodation owner or manager or other supplier or to us as soon as possible. If the actual cost of the loss or damage exceeds the amount paid where estimated, you must pay the difference once known. If the actual cost is less than the amount paid, the difference will be refunded. You will also be responsible for meeting any claims subsequently made against us and all costs incurred by us (including our own and the other party's full legal costs) as a result of your actions. You should ensure you have appropriate travel insurance to protect you if this situation arises.

Flights

In accordance with the UK's Retained EU Legislation on EU Directive (EC) No 2111/2005, we are required to bring to your attention the existence of a list which contains details of air carriers that are subject to an operating ban within the UK. The Community list is available for inspection at <https://info.caa.co.uk/uk-regulations/>. We are also required to advise you of the carrier(s) (or, if the carrier(s) is not known, the likely carrier(s)) that will operate your flight(s) at the time of booking. Where we are only able to inform you of the likely carrier(s) at the time of booking, we shall inform you of the identity of the actual carrier(s) as soon as we become aware of this. Any change to the operating carrier(s) after your booking has been confirmed will be notified to you as soon as possible. If the carrier with whom you have a confirmed reservation becomes subject to an operating ban as above as a result of which we/the carrier are unable to offer you a suitable alternative the provisions of clauses 14 to 16 will apply. Any change in the identity of the carrier, flight timings, and/or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying our normal charges except where specified in these conditions.

We cannot accept liability for any delay which is due to any of the reasons set out in clause 21 (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or board on time).

44. If your flight is cancelled or delayed, your flight ticket is downgraded or boarding is denied by your airline, depending on the circumstances, the airline may be required to pay you compensation, refund the cost of your flight and/or provide you with accommodation and/or refreshments under EC Regulation No 261/2004 – the Denied Boarding Regulations 2004. Where applicable, you must pursue the airline for the compensation or other payment due to you. All sums you receive or are entitled to receive from the airline concerned by virtue of these Regulations represent the full amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. This includes any disappointment, distress, inconvenience or effect on any other arrangements. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding as the full amount of your entitlement to any compensation or other payment (as dealt with above) is covered by the airline's obligations under the Denied Boarding Regulations. If for any reason, we make any payment to you or a third party which the airline is responsible for in accordance with the Denied Boarding Regulations, you must, when requested, assign to us the rights you have or had to claim the payment in question from the airline. If the airline does not comply with these rules, you may complain to the CAA on 020 7453 6888 or by e-mail to passengercomplaints@caa.co.uk or www.caa.co.uk – Referring Your Complaint to the CAA.

Passports and visas

46. British (citizen) passport holders are recommended to have a valid passport with at least 6 months validity from return date. If your passport has less than 6 months validity from the return date, then a waiver form must be signed. It is your responsibility to ensure any visas required for countries to be visited on the journey have been obtained prior to the journey departure date. Failure to obtain correct documentation will mean you may be unable to participate in particular shore excursions and may be denied boarding and/or entry into certain countries. Passport and visa entry requirements and costs are your sole responsibility. We cannot accept any liability if you are refused entry onto any transport or into any country due to failure on your part to carry correct documentation. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us accordingly. We recommend that you check www.gov.uk/foreign-travel-advice for the latest entry requirements for the countries you are due to visit.

47. A full British passport presently takes approximately 6 weeks to obtain. If you are 16 or over and have not yet got a passport, you should apply for one at least six weeks before your departure from the UK. The UK Passport Service has to confirm an applicant's identity before issuing their first passport and will ask them to attend an interview in order to do this. If you are not a British citizen or hold a non-British passport, you must check passport and visa requirements with the Embassy or Consulate of the country(ies) you are travelling through and to which you are intending to travel. Please note, all requirements may change and all clients must check the up-to-date position in good time before departure with the Embassy or consulate of the country(ies) you are travelling through and to.

48. It is your responsibility to ensure you are aware of all recommended vaccinations and health precautions in good time before departure. Details are available from your GP surgery and from the National Travel Health Network and Centre <http://travelhealthpro.org.uk/>. Information on health abroad is also available on www.nhs.uk/Livewell/Travelhealth. At the time of publication of this brochure, we are not aware of any compulsory health requirements applicable to British citizens taking any of the holidays featured in this brochure. For holidays in the EU/EEA you should either be in possession of a valid EHIC (European Health Insurance Card) or apply for the UK Global Health Insurance Card (GHIC) prior to departure from <https://www.nhs.uk/using-the-nhs/healthcare-abroad/apply-for-a-free-uk-global-health-insurance-card-ghic/>. An EHIC or GHIC is not a substitute for travel insurance. Vaccination and other health requirements/recommendations are subject to change at any time for any destination. Please therefore check with a doctor or clinic not less than six weeks prior to departure to ensure that you have met the necessary requirements and have the applicable information.

49. It is the lead name's responsibility to ensure that all members of the party are in possession of all necessary travel and health documents before departure. All costs incurred in obtaining such documentation must be paid by you. We regret we cannot accept any liability if you are refused entry onto any transport or into any country due to failure on your part to carry all required documentation. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty, costs or expenses being imposed on or incurred by us, you will be responsible for reimbursing us accordingly.

Financial security

50. We hold an Air Travel Organiser's Licence issued by the Civil Aviation Authority (ATOL number 9294). When you buy an ATOL protected flight, or flight inclusive holiday from us, you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit, you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent or your credit card issuer where applicable. You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme. Please note: Not all holiday or travel services offered and sold by us will be protected by the ATOL scheme. *The air inclusive holidays and flights we arrange are ATOL protected providing they are made available in the UK. For further information, visit the ATOL website at www.atol.org.uk.
