Panama Canal & South America

Mysteries and miracles unfold as you cross an impossible isthmus and discover ancient cultures from the Inca to Easter Island's Rapa Nui.

PANAMA CANAL

Experience the Panama Canal's engineering marvel firsthand. Watch as your vessel rises through massive locks, guided by electric "mules" and skilled workers. Cross the Continental Divide through Gaillard Cut — carved by steam shovels — and cross Gatún Lake amid jungle islands that were once hilltops. Few human endeavors match this remarkable feat of ingenuity.

ECUADOR & PERU

Journey from Ecuador's tropical farmlands to Peru's enduringly charming colonial cities. Set off for the Galápagos from Guayaquil or visit Quito's layered heritage. Fly over the mysterious Nazca Lines from General San Martín. During your overnight in Callao (Lima), take an optional Seabourn Journey to Machu Picchu or immerse yourself in Peru's vibrant culture and cuisine.

EASTER ISLAND

Explore Easter Island's enigmatic stone monoliths — some facing land, others sea — whose purpose remains unknown. Over the course of two days, discover the Rapa Nui culture and hear tales of the daring Birdman Cult. Examine ancient quarries, petroglyphs, and Inca-like stonework on this isolated island, 2,000 miles from both Tahiti and Chile.

Marquesas Islands, French Polynesia & New Zealand

Set course for unimaginable beauty, warm and welcoming cultures, and cities that sparkle with charm and character.

MARQUESAS ISLANDS

Feel worlds away in the Marquesas Islands, where ancient volcanic peaks rise dramatically above turquoise waters. See the lush valleys and archaeological wonders of Taiohae, Nuku Hiva's picturesque main village. On Hiva Oa, explore black-sand beaches, sacred tiki statues, and the Paul Gauguin Museum honoring the artist's legacy. In this remote paradise, nature and culture blend beautifully.

FRENCH POLYNESIA

Immerse yourself in French Polynesia's dazzling palette of blues and greens, from iconic destinations to hidden gems. Snorkel Bora Bora's waters among tropical fish and stingrays beneath majestic Mount Otemanu. Explore secluded ports like Moorea, Fakarava, and Rangiroa with its remarkable motu vineyard. Conclude with an overnight in Papeete, wandering colorful markets and sampling the freshest local flavors alongside your Seabourn chef.

NEW ZEALAND

Discover New Zealand from end to end, with each port deepening your understanding. In the maiden port of Whangārei, visit an idyllic waterfall lagoon or delve into age-old Māori customs. Gain exclusive insights at the Auckland Museum, cycle through Picton's wine country, and explore Tauranga's glowworms and geysers. Your experience culminates among the dramatic glacier-carved valleys of Fiordland National Park.

Australia & Papua New Guinea

Circumnavigate the continent from world-famous cities to wild coastlines, The Kimberley, and the Great Barrier Reef.

TASMANIA & SOUTH AUSTRALIA

Food, wine, and wildlife flourish at Australia's southern edge, with opportunities to explore all around you. Sample Barossa Valley wines from Adelaide, wander through Hobart's vast eucalyptus forests where cockatoos soar overhead, and search for wild koalas on Kangaroo Island. During our maiden call in Wallaroo, sip Rieslings in the scenic Clare Valley or taste exotic gins at the Bond Store Distillery.

WESTERN AUSTRALIA & THE NORTHERN TERRITORY

Australia's rugged northwest delivers unmatched adventure. Bask in Geraldton's Mediterranean climate from a historic lighthouse. Ride camels on Broome's beaches where white sand meets red cliffs and turquoise waters. Savor the magnificent Kimberley Coast with its dramatic cliffs and cascading waterfalls. Spend your overnight in Darwin cruising the Adelaide River and spotting jumping saltwater crocodiles.

PAPUA NEW GUINEA, QUEENSLAND & NORFOLK ISLAND

Experience traditional village life in Papua New Guinea before heading to Cairns to snorkel the vibrant Great Barrier Reef or ride the Kuranda Scenic Railway past gorges and waterfalls. From Townsville, step into a living time capsule as you explore the oldest surviving rainforest on the planet. On Norfolk Island, discover *HMS Bounty* history through descendants who maintain their unique patois and celebrate "Bounty Day."

THE AMERICAS

SOUTH PACIFIC

South Pacific, Hawaii & the Americas

From islands to isthmuses, volcanoes to cloud forests, experience great triumphs of nature and man.

SOUTH PACIFIC

Island-hop through the Ring of Fire, delving into both Melanesian and Polynesian traditions. Snorkel Mystery Island's protected waters, untouched by modern development. Explore Fijian culture at Lautoka's Hindu temple or take a longboat to Suva's rainforest waterfalls. In Apia, Samoa's sole city, traditional Fa'a Samoa life continues with thatched houses, outrigger canoes, and distinctive tattoos.

HAWAII

Hawaii's volcanic archipelago dazzles with natural splendor. From Honolulu, witness North Shore surfers riding massive waves or visit "Mighty Mo," the battleship *Missouri* in Pearl Harbor. Kona provides access to Hawai'i Volcanoes National Park with its lava tubes and caldera viewpoints. Before departing, enjoy Punalu'u Black Sand Beach where sea turtles rest.

THE AMERICAS

Along the coastlines of the Americas, you'll find a unique cultural and ecological blend. From Puntarenas get a taste of the Costa Rican countryside at a coffee plantation or wander cloud forests where 14 hummingbird species flutter in specialized gardens. Notice the enduring Spanish influence, from Cartagena's impressive fortresses to Puerto Quetzal's gateway to colonial Antigua, Guatemala's former capital.

BLUE-FOOTED BOOBY, THE GALÁPAGOS

Seabourn Journeys

Enhance your cruise with intimate, personalized, land-based adventures in Seabourn style.

THE GALÁPAGOS

From Guayaquil, visit the Galápagos to explore the unique wildlife that helped Charles Darwin develop his theory of evolution. Your naturalist guide will lead you on boat excursions, nature walks, snorkeling opportunities, and a visit to a giant tortoise sanctuary. Keep your eyes peeled for frigate birds, boobies, Bahama ducks, and the endemic San Cristóbal mockingbird, as well as sea lions, sea turtles, marine iguanas, rays, and more.

MACHU PICCHU

Lima, the City of Kings, is your gateway to Cusco and Machu Picchu. See Cusco's Spanish colonial and Incan landmarks from the Temple of the Sun to the Plaza de Armas during an overnight in the city. Then, wind through the Sacred Valley by train to Machu Picchu. Perched on a misty mountaintop in the Andes, the ancient site is a testament to the ingenuity and skill of the Incas.

ULURU-KATA TJUTA NATIONAL PARK

Your adventure begins with a flight to Uluru, the gateway to Uluru-Kata Tjuta National Park. This ancient desert landscape known as the "Red Centre" is home to one of the world's largest monoliths, Uluru (Ayers Rock), and the sacred red domes of Kata Tjuta (The Olgas). Highlights of your experience include watching the sun rise over Uluru and a magical sunset dinner under the stars at Kata Tjuta.
